Admissions Explanation

Thank you for your interest in Immanuel Lutheran School in Crystal Lake. It is our goal to provide an educational experience in Preschool through Grade 8 that is Academically Excellent, Relationally Driven, and most importantly, Christ-Centered. We seek to set a foundation rooted in the Word of God, while developing relationships, skills, and knowledge that prepare our students and families for life beyond middle school.

We seek families who desire their child's grade school experience to be a supportive partnership between family and school -- a partnership that will be positively impacted from God's blessings. Immanuel Lutheran School does not discriminate admission on the basis of race, origin, color, birth gender, or disability.

A variety of factors are considered in admission to Immanuel, including ability and desire of the applicant and their family to support the mission and vision of Immanuel Lutheran Church and School. Other factors include, but are not limited to, a student's previous educational records, teacher evaluations, personal interests and talents, and qualities of character, motivation, and attitude. We also consider the school's and family's mutual understanding of educational goals for the applicant.

Immanuel Lutheran's desire is to partner with each family to support every student as much as possible. When the partnership between school, student, and family is strong, the school becomes an extension of the home and the student grows exponentially in academics, maturity, and as a Christian citizen. The school may not always be able to meet the needs of every applicant, and in some cases, may conclude the child would be better served in a different educational setting.

If you have any questions about the Admissions Process, please do not hesitate to contact Principal Tim Hipenbecker (thipenbecker@immanuelcl.org) or Preschool Director Carole Fiesman (cfiesman@immanuelcl.org).
